Race Manager MARIANNE CRAWFORD was assisted by Maria ZULUAGA, Julie WILTZEN, Bruce HOOLEY, Brian BLOOMER, Jim GOOK, Bob NEWBOLD, Warrick ERWIN, John BROWN, Heather JOHNSTONE, Damien COCK, Rob LAWRENCE, Fred LESTER, Mal COTHER and Janet O'DELL.

We apologise for not putting on the 1 lap (3km), but until just a few minutes before the official starting time we had only two enquiries and felt it was 'No Race'. However, we think there were a number of runners who would have been better served by a shorter run and ask interested people to make sure of checking in earlier so that we can make a go of it.

Race Manager for the E.Z. series was Fred LESTER who was assisted by the following: Margaret FISHER, Ann LYNCH, Fred SMITH, Russell BOURKE, Ken EMMERY, Joan CAMERON, John BROWN, Maureen RILEY, Jenny McINNES in addition to the numerous lap scorers on the four nights. There were also many regular VAA officials as well as the Organising Committee (Bill LUKE, Grant ALDOUS, Luke TRAVERS, David EVANS, Janet O'DELL and Robyn who typed the program) who teamed well to make the series a success all the way.

There is no doubt that the format of the series, catering as it does primarily for the active athletes, gives a great finale to the pre-Xmas period and serves as impetus for the business end of the season, the assorted State & National Championships.
