*28 January 2001*

## **Hamilton.**

Mark Hutchinson made it two out of two when he won the Hamilton Millennium Marathon for the second year running in ideal conditions in Hamilton this morning. The Auckland based fireman finished unchallenged in 2:25:46, 5½ minutes clear of Wellington's Grant McLean and Napier's Chris Corney. Gabrelle O'Rourke made the trip from Wellington to take part in the race, using it as a training run for her buildup to the Boston Marathon in April, and finished fresh as a daisy in an impressive 2:45:18 to finish 7th overall from Nyla Carroll who ran 2:55:19 and Kaitia's Lilac Flay.

260 Runners took part in the event including 28 from overseas.
