VMC 10,000m HANDICAP: 1.DANNY WYHOON "G" 2.EAVE BULLOCK "C" 3.GEOFF HERBEN "F"

The VICTORIAN MARATHON CLUB's 1989 BP EMIL ZATOPEK CUP 10,000m SERIES and associated events was another exciting week of track racing, all the more since Melbourne enjoyed several days of early summer.

Commencing on Monday evening with the lower women's and men's divisions, personal best times seemed to be the order of the day. 18 year old Emma Riley achieved a Victorian Country Junior Women Record and 13 year old Danny Wyhoon ran a fine sub-40 minutes for the toughest track event, while several of the well performed veteran runners battled for the lead.

The second day saw another tight race between 4 well matched runners in the "C" division and a no less tight battle took place in the "B" division on the third day. The latter was decided by South Australia's Gregory Lyons by a full final lap sprint from up and coming Taswegian Colin Oliver and Malcolm Johnstone of Ballarat.

The main night, Thursday, saw the cream of distance running from a wider field of participation in action. The innovation of having the Corporate Cup runners to field relay teams on the track was a great success and sure created atmosphere. The ones who failed to field teams will be sorry having missed out on one of the best nights of athletics in Melbourne for many years.

BP AUSTRALIA sponsored the whole series and also provided the trophies for the main events. D LINE SPORTSWEAR provided \$1500, to be split 5,4,3,2,1 for the first 5 placings in the Junior Men 3000m, RUNNERS WORLD shops also put up \$1500 for the Women 10,000m and the VMC allotted a further \$1500 from the BP sponsorship for the Men 10,000m.

The Masters Mile for over 40's was a quality win in an excellent solo run by Malcolm Lynn and the special 3000m Walk saw Steven Beecroft break the under 20 Australian Junior Record. This was followed by a special 400m Hurdles trial to give Gold Medallist Debbie Flintoff-King and her Commonwealth Games team partner Jenny Laurendett an opportunity for sharpening up competition.

The women's 10,000m saw Sue Malaxos take a run-away lead for 2 laps and lead through the first km in 3:15. Joy Terry and Annette Dwyer got trapped into closing up too fast as Annette led through 2km in 6:32 (3:17 km) and Joy led through 3km in 9:51 (3:19 km) and then settled down to 3:20 pace as Joy led through 4km in 13:11 and 5km 16:31. Hobson, Ruckle and Lund had made contact in more leisurely fashion, keeping a wary eye on each other.

Sue Hobson now took the lead and quickened the pace for the next km in 3:18 to reach 6km in 19:49 and Dwyer barely hanging on. The same 3:18 for the next km forced Terry to the back of the bunch and another 3:18 by Hobson got rid of Terry and had the other two struggling and losing ground. From there the gap steadily widened behind Sue Hobson, turning the 9th km in 3:21 (her slowest) and covering the final km in 3:05. The battle for second place, some 11 seconds further back, went to Jenny Lund. Carole Connolly ran a steady pace right through to pick up Joy Terry and Annette Dwyer and finish a comfortable fourth. Many of the runners relished this opportunity for top competition and achieved personal best times.

The men under 20 3,000m was fiercely contested by the first six, and with 500, 400, 300, 200 and 100 Dollars at stake for the first 5 placings, as also in the women's and men's 10,000m events, there was some extra incentive. The result was in doubt all the way down the home straight, second and third could only be separated by the photo finish camera.

(cont.)

The final event of the night, the Men 10,000m was another thriller with some unexpected twists. Incorporating the Commonwealth Games selection trial, the strongest field available in Australia had entered the event. Notable scratching, were Gerard Barrett, Adam Hoyle and Darren Wilson, former major placegetters in the event. After the usual first lap scramble in a moderate 68 seconds, Stephen Moneghetti took the lead and settled down to 2 laps in 65 and then 66 to 67. 2km in 5:31 and 3km in 8:17 strung the field out as Brad Camp was dropped; Andrew Lloyd losing contact with the leaders, Robert deCastella behind the pack and Pat Carroll just hanging on. Two more 67 laps and Gary Henry and Mal Norwood let go, with only Peter Brett, John Andrews and James Harrison hanging onto "Mona". John Andrews let go after another 67 and the halfway 5km time was 13:52. Harrison called it a day at this point and Peter Brett stuck to "Mona" to almost the 7km mark before he too was left behind. Steve maintained 68 sec per lap until the second last in 67 and a 65 final lap with the enthusiastic and raucous support of the near 2000 spectators. All credit to Peter Brett for a gutsy second placing and a thrilling battle for the next three placings between Norwood, Andrews and Robert deCastella as Malcolm's 60 second final lap was just too much for the game John Andrews.

The weather had cooled down from a very hot day, temperatures were about 20 degrees during the night, and a great atmosphere prevailed throughout. The program went without a hitch and many positive comments were received from the public in appreciation of the organisation and team work by the Victorian Marathon Club and officials in charge of proceedings.

WE OWE THANKS TO A BIG TEAM.

Various people, members of the VMC and supporters of the runners, did a magnificent job in ensuring the success obtained by attending to the unspectacular but most essential tasks such as lap-scoring, time calling, finish recording, checking and issuing correct competition numbers, marshalling for an orderly presentation of events, etc. Several were too modest to list their names, but we had the following:

JOHN BROWN, DAVID CRAIG, KEN EMERY, GERRY RILEY, JOAN & PETER LOGAN, IAN MINTER, STEPHEN ROACH, KEVIN FALLOON, BERNIE CARLSON, JOHN NICHOLLS, KEN MUNRO, DAMIEN LOUGHNAN, ROBERT JAMIESON, BILL BAXTER, DANIEL PERLSTEIN, ANDREA KING, ROB LAWRENCE, GERRY & MAUREEN RILEY, COLIN & DOT BROWNE, BARRY CALLANAN, PETER SHONE, BILL BOXER, JENNY McINNES, MAL COTHER, NEIL RYAN, PAMELA & RICHARD SIMON, SANDRA KERR, PAUL MULRANEY, JIM DUGGAN, SAM HILDITCH, ANDREW THOMAS, NICK TAPLIN, AARON KEEFE, ANDREW ORME. Apologies to people, whose names we did not obtain.

Key people were Peter Booth, assisted by Trevor Vincent, who kept the information flowing; Val & Les Armstrong on the electric result processing; Bruce McAvaney giving expert background and commentary to the sponsors and their guests; the Athletics Victoria officials and staff ensuring procedures in line with IAAF requirements and the sponsors, BP AUSTRALIA, D LINE SPORTSWEAR and RUNNERS WORLD who made it all possible.

Joint Race Managers FRED LESTER & MAL COTHER were assisted by MOOSE O'CALLAGHAN, DENIS WATSON, GEORGE EDMONDS, KEVIN FALLOON, GARY COLEMAN, JAY PHILLPOTTS, JEFF VISSER, as well as several bystanders.

We were treated to a great battle as Safet Badic rebuffed Bruce Graham's every move to take the lead until the last 5 meters. Visiting Finnish triathlete Isa Vierula was well ahead of other female competitors as she was in her Two Bridges run before Xmas.
